

## Sponsorship Program

**The Association of Professional Landscape Designers- Oregon Chapter** has started its 2011 sponsorship drive. Our membership includes designers, design students, landscape contractors, and other landscape professionals. APLD Oregon designers are trusted professionals that rely on close working relationships with suppliers and contractors to help them determine the right products and services for their clients. You have been contacted because an APLD Oregon member has worked with you in the past and recommended your company.

**Our designers work directly with clients** to determine almost every detail of a landscape design, recommending thousands of dollars worth of materials and services every year. APLD Oregon would like to provide you and your business with avenues to continuously reach our entire membership as they develop their residential and commercial projects. We invite you to learn more about our mission and programs at [www.apldoregon.org](http://www.apldoregon.org).

**Sponsorship will give you many options for access** to our professional community: through our webpage, direct member mailings-both print and electronic -and through participation in our professional events. Your investment will reach far beyond just the APLD Oregon membership. As a supporter your business logo and link will be included on our Oregon webpage, in our trade show displays and our event mailings. As an underwriter your business logo will be included in our Habitat for Humanity advertising and webpage information. This program reaches a wide audience that includes other regional businesses, community leaders, and contributes to the entire quality of life in our community.

**Our challenging economic times** have made us all aware of the need to strengthen our professional bonds and establish thoughtful practices as an industry. APLD Oregon believes that sponsorship of our organization will be a well-spent investment and a very effective use of your company's marketing dollars.

**We hope you and your company** will join us in our goal to continuously offer the highest standards of professional landscape design in the Oregon & Southwest Washington region. Please consider the value of becoming an APLD Oregon Gold, Silver or Bronze Sponsor or supporting one of the many Special Events that our chapter hosts throughout the year.

Sincerely,  
Jim
